## Specialties (e.g., working with autism, the elderly, employment for people with disabilities or youth in transition, mental health, experience with assisted technology)

Prior to working with TMG, I worked with Family Care and the Bureau of Milwaukee Child Welfare; therefore, I have an extensive experience helping people find resources available to them.

## County/Region I'm familiar with

Milwaukee

## Languages or Communication Skills

English, Spanish

## I'm comfortable with pets in the home

Yes

## **More about me**

### **How do you Partner with people to 'clear the path ahead'?**

I believe in great communication and I try to be as honest as I can with people. I like to get to know people's background and needs in order to be able to help them with the best resources available. I like to come up with goals and work together to accomplish them and make people feel like they are as independent as they can be. I like to promote positive thinking and push people to believe in themselves. I like working together as a team and figuring out services needed to keep the person participating in the IRIS Program happy and safe in their home.

### **What's your favorite thing about being an IRIS consultant?**

I am able to get to know a lot of different type of people and learn how to work together to come up with services that fit their needs.

### **What past experience prepared you to become an IRIS Consultant?**

I have been in the field of social work for some years and have learned about resources and services available for people in their communities. I have learned to build rapport with different types of people and make them feel comfortable with my presence. I have learned how to prioritize my work and be reliable to the individuals I partner with when they need my assistance.

### **What do you enjoy doing in your free time?**

I like spending time with my family, my kids are my everything, and I devote all of my free time to them. I love going on vacations and I try to at least go on vacation once a year.
