

TMG is expanding its IRIS Consultant Agency services to Rock County!

Here's what you need to know.

When will IRIS Services be available in Rock County?

People who choose IRIS would start receiving services on July 1, 2016.

When will TMG begin IRIS Consultant Agency services in Rock County?

ADRCs will begin enrollment counseling very soon and will be sending us the names of the people who choose IRIS. TMG reaches out to people enrolling in IRIS right after we receive their referral information.

How does a person enroll in IRIS?

The enrollment process begins with the Rock County Aging & Disability Resource Center (608-741-3600). The ADRC will explain the long-term care options available to you, including IRIS.

What is IRIS?

IRIS stands for *Include, Respect, I Self-Direct*. IRIS is Wisconsin's self-directed community long-term care option for older adults and people with physical and developmental disabilities. The main goal of IRIS is to allow people to remain independent, in their own homes and communities. More information can be found [here](#), at the Department of Health Services website.

What is an IRIS Consultant Agency (ICA)?

ICAs are Wisconsin certified organizations who provide experienced local IRIS Consultants (ICs) to partner directly with people who choose to self-direct using IRIS.

What are TMG's qualifications?

TMG has provided consultant services in the IRIS program since it began in 2008, and is the only ICA that serves all 65 Wisconsin counties where IRIS is available. 13,000 people in Wisconsin have chosen TMG as their ICA. Our staff of 580 includes over 300 community-based IRIS Consultants.

Will TMG have a Rock County office?

TMG utilizes a home-based workforce. ICs are local, community-based professionals who know about the services and resources available in your area.

What does a TMG IRIS Consultant (IC) do?

ICs partner with people to identify goals, explore resources, build support plan, work within the IRIS budget, and maintain program eligibility.

Each Rock County IC has an average of 8 years of experience in long-term care.

How can I contact TMG?
