Provider Communications

This is an advisory notification to Molina Healthcare of California (MHC) network providers applicable to all lines of business.

What you need to know:

Dear plan partner,

At MHC, we are committed to enhancing our communication channels with providers like you. As part of **regulatory compliance**, MHC is required to share important updates with our contracted providers.

You previously requested to be removed from our fax distribution list. If you are a participating provider in our MHC network and wish to continue not receiving communications via fax, please provide an email address where we can send these communications to meet **contractual and regulatory obligations**. Once we have your email address, you will receive electronic copies of our Provider Bulletins instead of faxes.

Please note: If we do not receive your email information, you will continue to receive communications via fax.

MHC appreciates your cooperation in streamlining our communication processes!
