

Increased Pregnancy Notification Incentive

Molina Healthcare (Molina) values the time and effort providers put into completing pregnancy notification forms. As such, Molina has increased the provider incentive for pregnancy notification via the **Pregnancy Notification Form Incentive Program** to **\$50.00** for every form received on **4/1/2023** and thereafter.

Early identification of a pregnant member is key in engaging members for appropriate prenatal care, healthy birth outcomes, and to mitigate the risk of pregnancy complications.

The criteria for participation in this program is as follows:

- Eligible Providers - OBGYN's, Doulas, Midwives
- Submit the form within ***five (5) days*** of member's first office visit
- Complete the form with the member's current contact information
- The member's expected baby due date must be clearly stated on the form
- Use the most current Pregnancy Notification Form

The Pregnancy Notification Form is located in the provider section of the Molina website at www.molinahealthcare.com under the Forms tab.
