

June 30, 2022

Dear Provider,

Effective August 1, 2022, Molina Healthcare will partner with Healthmap Solutions, Inc. (Healthmap) to provide care coordination services for our Kidney Health Management (KHM) program. As a leading national kidney population health management company, the partnership with Healthmap will provide more comprehensive care for Molina members with chronic kidney disease (CKD) stages 3, 4, 5, Unspecified, and end stage renal disease (ESRD).

If you have a patient with kidney disease, or chronic conditions that may lead to kidney disease, Healthmap may contact you to facilitate care. Healthmap provides you support through collaborative recommendations based on clinical insights.

Healthmap's KHM health solution integrates into your existing practice workflows to provide an efficient process for your practice and patients. Healthmap can supply you with actionable information, based on industry proven, best practices that are powered by data analytics, to more effectively anticipate and deliver the right clinical care.

We appreciate your ongoing care for our members. If you have any questions for Molina Healthcare, you can visit the plan website at [www.molinahealthcare.com](http://www.molinahealthcare.com) or contact Molina Healthcare Provider Services at [MFLProviderNetworkManagement@molinahealthcare.com](mailto:MFLProviderNetworkManagement@molinahealthcare.com) or 1-855-322-4076.

Sincerely,

Molina Healthcare of Florida
