

IMPORTANT PROVIDER INFORMATION REGARDING SUBTROPICAL STORM NICOLE

As Florida prepares for Subtropical Storm Nicole, and in light of the state of emergency declared by Governor DeSantis as of 11/7/2022, Molina Healthcare of Florida (Molina) would like to offer important information that providers may find useful during or after the storm.

Molina providers are reminded to continue providing critical Medicaid services that are life sustaining (examples include: durable medical equipment and supplies, home health services, hospital services, nursing facility services, chemotherapy, dialysis services, etc.) (herein referred to as critical Medicaid services) during the disaster period., including those that may need prior authorization, regardless of prior authorization status. Authorization requirements have been lifted for members in the impacted counties effective immediately to coincide with the Governor's State of Emergency notification and will remain in effect until the state of emergency has been lifted.

IF MOLINA HEALTHCARE OF FLORIDA providers need assistance:

Please call Molina's toll free number at (855) 322-4076 to reach a Customer Service representative, for any service related issues during the storm and/or in the event continued care is necessary while the member is displaced after the storm.

For Outpatient Therapy related issues, (**MMA, MP, MCR, Comprehensive members <MMA & LTC>**) please contact American Therapy Administrators (ATA-HN1) at (888) 550-8800. For **Long-Term Care members** contact Molina Healthcare.

For Home Health, Home Infusion & DME related issues, (**MMA, MP, and MCR members**) please contact Coastal Care Services at (855) 481-0505. For **Long-Term Care and Comprehensive members** contact Molina Healthcare.

For non-emergency transportation related issues, please contact Access2Care Transportation at:

- MMA/LTC Members: (888) 298-4781
- Medicare Members: (888) 276-4781

IF MOLINA HEALTHCARE OF FLORIDA providers lose internet connectivity:

Please make a note of the information below, in the event your office experiences an extended loss of internet connectivity following the storm.
