Status of Change Healthcare/ProviderNet Outage

As reported on July 22, 2022, Molina Healthcare of Illinois (Molina) is updating providers about the outage with Change Healthcare's service portal, ProviderNet. Access to limited services in ProviderNet are now back online and are available to certain existing ProviderNet users. See "**Update**" below for details.

We currently have no estimated time of restoration, and we continue to share information with you to help minimize the impact.

Payments

- There will be no impact or disruption to scheduled payments (EFT or paper check) from Molina.
- 835s will continue to be available through the Change Healthcare clearinghouse. Providers should expect the 835/Electronic Remittance Advice (ERA) to continue to be delivered through their current clearinghouse.
- 835s are also available to providers via the [Availity Essentials Provider Portal](#).
- Electronic Explanations of Payment (EOP) will continue to be available on both the Molina Provider Portal and [Availity Essentials Provider Portal](#).
- **Update:** The [ProviderNet portal](#) is now available, with features being limited to view/download Explanation of Payment (EOP) and 835/Electronic Remittance Advice (ERA).
 - **Only existing, authenticated users of ProviderNet can be verified and regain access.**
 - New enrollments are **not** being accepted at this time.
 - Email Change Healthcare at WCO.Provider.Registration@ChangeHealthcare.com.
 - See the specific request process on the [ProviderNet portal](#).
