MCG for Cite Guideline Transparency

Molina Healthcare of Illinois (Molina) has partnered with MCG Health to implement Cite for Care Guideline Transparency. Effective July 8, 2021, you can access this feature through the Molina Provider Portal and Molina's Availity Provider Portal.

With MCG for Cite Guideline Transparency, Molina can share clinical indications with the providers. The tool operates as a secure extension of Molina's existing MCG investment and helps meet regulations around transparency for care delivery. Some benefits include:

- Transparency—Delivers industry-leading medical determination transparency.
- Access—to MCG clinical evidence that payers use to support member care decisions.
- Security—Ensures easy and flexible access via secure web access.
