Notice to Pediatric and Family Practice Physicians

Incentives For Your Practice Available for Chlamydia Screening for Adolescent Females*

Did you know you can earn a monetary reward for every adolescent female, ages 16-24, screened for chlamydia? Regardless of specimen collection type (swab or urine), simply report the test to Molina Healthcare by billing one of the CPT codes below, and we'll pay you an additional reward for your practice (in addition to the visit and other billed services)!

Your practice may be eligible for an additional performance bonus per member in the measure, as well.

CPT Codes for Chlamydia Screening

- 87110
