## Update: Molina Healthcare partnership with ProgenyHealth

We are providing an update on the Molina Healthcare (Molina) partnership with ProgenyHealth, a company which specializes in Neonatal Care Management Services.

Starting **April 1, 2023**, ProgenyHealth's Neonatologists, and Pediatricians will work closely with Molina members, as well as attending physicians and nurses, to promote healthy outcomes for Molina's premature and medically complex newborns.

The benefits of this partnership will remain the same with one exception:

The partnership will now focus on Utilization Management services. Care Management services will continue to be managed by Molina Healthcare. The overall goal remains to provide a collaborative and proactive approach to care management that supports a timely and safe discharge to home. Members who need Care Management Services can call Member Services at (800) 424-4518.

As a reminder, your process for notifying Molina of infants admitted to a NICU or special care nursery will change on **April 1, 2023**. Please notify ProgenyHealth directly of admissions via Sfax at (877) 233-1263 and their clinical staff will contact your designated staff to perform utilization management throughout the inpatient stay.

### Learn More

If you wish to learn more about ProgenyHealth's programs and services, call (888) 832-2006 or visit [progenyhealth.com](https://progenyhealth.com). Thank you for your partnership in caring for Molina members.

Sincerely,

Molina Healthcare
