Dear Valued Member,

Thank you for your interest in the Molina Healthcare Member Advisory Council (MAC)! We appreciate your enthusiasm for making MCC the best health plan.

The goal of MAC is to provide a space to share ideas to create a member-centered culture of providing care.

What is the Member Advisory Committee?
MAC is a group of members, family members, and community partners who represent the voice of our members. Committee members offer advice, information and recommendations to support member services, planning, policies and procedures.

What types of issues will the Committee address?
If selected as a MAC member, you will be the voice for member experience at Molina The goals of the committee are:

- Attend monthly meetings.
- Open discussion of challenges faced by members, families, and the community to explore solutions Molina can implement.
- Represent Molina as leaders in the community for partnerships, advocacy, and governance.
- Members may be invited to join internal Molina committee meetings.
- Review and provide feedback on member communications to explore potential member impacts, barriers, and offer solutions. Projects may include:
    - Member Handbook
    - Member Orientation
    - Community Forums
    - Website
    - Marketing Materials
- Review member feedback through the use of surveys or calls conducted by Molina employees to discuss resolutions.
- Attend the Governance committee as an active member of MAC twice a year.

MAC meets virtually on the fourth Thursday of every month from 5:30-7 p.m. Our Member Experience Manager, Denise Jolley, is the MAC Facilitator.
