## More about me

### How do you Partner with people to 'clear the path ahead'?

I like to partner with people by allowing them to inform me of their goals and aspirations. I then find out what barriers they may have to deal with, and then find a way to help them overcome those issues so that they can live their best life.

### What's your favorite thing about being an IRIS consultant?

This position allows me to utilize my previous work experience and knowledge of community programs that the people I partner with may be eligible for. I also enjoy the fact that this job allows for me to interact with my community more on a one-on-one basis.

### What past experience prepared you to become an IRIS Consultant?

My experience working for 10 years with the Wisconsin Department of Health Services (DHS), as well as helping to care for my elderly family members, has prepared me to be a compassionate and knowledgeable TMG IRIS Consultant. I look forward to getting to know you and helping you reach your goals.

### What do you enjoy doing in your free time?

My free time is spent with family and friends, traveling, going out for dinner, watching movies or just visiting one another at our homes.
