---------------------------------------	-------------------	---------------------------------

Specialties (e.g., working with autism, the elderly, employment for people with disabilities or youth in transition, mental health, experience with assisted technology)

Prior to coming to TMG, I worked for a My Choice Wisconsin for approximately one year, and then I worked for Maximus (an organization that contracts with government agencies to provide supports and services). This has given me extensive experience with helping a wide variety of people, including those with disabilities.

County/Region I'm familiar with

Milwaukee

Languages or Communication Skills

English

I'm comfortable with pets in the home

Yes

More about me

How do you Partner with people to 'clear the path ahead'?

I like partnering with people by just being genuine. I also try and have a positive attitude, smile and always be polite when I visit the people I partner with. Even if that individual isn't having the best day, I hope that my smile will help them find their smile.

What's your favorite thing about being an IRIS consultant?

My favorite part about being a TMG IRIS Consultant is the fact that I get to help people become the person they want to be. I enjoy helping them with their goals and change their lives for the better. I also love being an advocate for the people I partner with, and do my best to truly listen to the person, work together to find the best way to support them, and make them feel worthy and important.

What past experience prepared you to become an IRIS Consultant?

My work at My Choice Wisconsin and at Maximus has prepared me to be a knowledgeable and compassionate TMG IRIS Consultant. I look forward to getting to know you and helping you find the supports and services you need to reach your goals and live the life you choose.

What do you enjoy doing in your free time?

I love to read and write poetry in my free time. I also love spending time with my family, and taking trips both small and large. Recently, I took up gardening, and have grown to love it!
