How do you Partner with people to 'clear the path ahead'?

Partnering means getting to know you and finding out what your goals are. I then create a plan that ensures your health and safety needs are met and also best utilizes your budget.

What's your favorite thing about being an IRIS consultant?

My favorite thing about being an IRIS Consultant is that the program allows for individuals to empower themselves and have the freedom to choose services and resources that are best for them to help reach their goals.

What past experience prepared you to become an IRIS Consultant?

Working in Family Care, I became very comfortable creating plans and identifying resources to help individuals reach their goals. I learned the value of meeting members where they are at and listening to what is important to them.

What do you enjoy doing in your free time?

While at home, I enjoy spending time with my son and our dog and two cats. I love being outside in warm weather on the lake. I enjoy traveling and find music to be very uplifting.
