We will work together to make sure your plan is for the present and future you envision.

### **What's your favorite thing about being an IRIS consultant?**

My favorite thing about being a TMG IRIS Consultant is being able to help others with their independence. I find being an IRIS Consultant is very fulfilling because I get to meet people where they're at and connect them to resources and services that can help them live the life they want to live.

### **What past experience prepared you to become an IRIS Consultant?**

I have previous experience supporting individuals in their own homes as a direct support staff, Adult Rehabilitative Mental Health Services (ARMHS worker), Targeted Case Manager, Care Coordinator and as a drug and alcohol counselor.

### **What do you enjoy doing in your free time?**

In my free time during the warmer months I like to be outdoors camping, hiking, kayaking, being around a camp fire and doing anything I can with my two fur babies (dogs) anywhere and everywhere I can. I also love doing all kinds of crafting, I finding craft shows around town, and crocheting throughout the year.
