How do you Partner with people to 'clear the path ahead'?

It is crucial to take the time to get to know each person I partner with and listen carefully to make sure I have a clear understanding of their needs, interests, and goals.

What past experience prepared you to become an IRIS Consultant?

In the Children's Long-Term Service Waiver, I got experience as a Service Coordinator, where I helped families navigate Medicaid to get the services they needed for their children with special needs. I look forward to applying this skill to adults with disabilities.
