Specialties (e.g., working with autism, the elderly, employment for people with disabilities or youth in transition, mental health, experience with assisted technology)

I am very passionate about working with people who are aging and those who have disabilities. Before becoming a TMG IRIS Consultant, I have had experience working with people who are aging and those who have disabilities; as well as having worked as a home health worker and certified nursing assistant (CNA). I truly enjoy helping assist people as they work towards their goals, and I'm excited to be a partner and advocate for you as you work towards living the life you choose. In my free time, I like to travel, read, cook and spend time with my family.

More about me

How do you Partner with people to 'clear the path ahead'?

I partner with people by listening closely to them so that I can identify their needs and help them set obtainable goals. As your TMG IRIS Consultant, we will work together as a team to help you overcome obstacles and live the live you choose.

What's your favorite thing about being an IRIS consultant?

My favorite thing about being a TMG IRIS Consultant is assisting the people I partner with in reaching their goals and helping turn their dreams into reality.

What past experience prepared you to become an IRIS Consultant?

I have a lot of experience that has prepared me to be a great partner and TMG IRIS Consultant: from working in healthcare with people who are aging, those who are disabled, and those who have had strokes; working in the hospital's neuro unit; helping with cancer research; being a home health worker and a certified nursing assistant (CNA); and helping with people using inpatient care with their daily living activities.

What do you enjoy doing in your free time?

In my free time I like to travel, read, cook and spend time with my family.
