County/Region I'm familiar with

Kenosha, Racine

Languages or Communication Skills

English, Italian

I'm comfortable with pets in the home

Yes

More about me

How do you Partner with people to 'clear the path ahead'?

Prior to joining TMG, I was a substitute teacher for my local high school, working in the Special Education department. From there, my career took me in the Employment sector for individuals with disabilities and most recently as a TMG IRIS Consultant.

What's your favorite thing about being an IRIS consultant?

As a TMG IRIS Consultant, I love helping others in their time of need get to reach their goals. I feel rewarded when I am able to provide support to participants and their families.

What past experience prepared you to become an IRIS Consultant?

My work as a teacher for students with disabilities, as well as working in the Employment sector, has prepared me to be a knowledgeable and passionate TMG IRIS Consultant. The majority of my career has been working with a population who deal with barriers, and as a Consultant we work together on bringing those barriers down.

What do you enjoy doing in your free time?

In my free time, I spend time with my two children and my husband. We love to cook homemade Italian food, going to the beach in the summer and playing Monopoly. I also have a passion for community involvement, and am the Vice President of a local Order, Amicizia Order Son's and Daughters of Italy. We are a non-profit group who promotes education and cultural activities.
