

MCG Cite AutoAuth Provider Access QRG

REFERENCE GUIDE

The following steps outline how providers can submit Prior Authorization requests utilizing the MCG Cite AutoAuth process. This QRG is specific to AutoAuth for Advanced Imaging.

<p>Step 1</p> <p>User will sign into Availity using their sign in credentials. Once logged in, user will select the drop down under Payer Spaces and choose the appropriate icon (for most this will be the Molina Healthcare icon seen to the right)</p>	
<p>Step 2</p> <p>User will scroll down and choose Applications and then click on Prior Auths</p>	
<p>Step 3</p> <p>User will complete Tax ID, State, Medicare, Provider ID fields and then select Create Service Request/Authorization under the Service Request/Authorization Option field. Once all of the above fields have been addressed, select Continue.</p>	

Step 4

User will select submit on the page informing them they are about to be re-directed to a third-party site away from Availity's secure site.

Create Service Request/Authorization

You are about to be re-directed to a third-party site away from Availity's secure site, which may require a separate log-in. Availity provides the link to this site for your convenience and reference only. Availity cannot control such sites, does not necessarily endorse and is not responsible for their content, products, or services. You will remain logged in to Availity.

Cancel

Submit

**Note

If this is user's first time signing in via Availity they will be required to accept the acknowledgement message seen in the screen capture to the right

Acknowledgment

Please indicate that you have read and agree to the terms presented in the [Provider Online User Agreement](#) and [Terms of Use](#)

I Accept I Decline

Step 5

Step 10

Once request is submitted user will be prompted to close the pop-up window to complete the service request submission

Please close this popup by clicking on (X) to proceed with Service Request Submission.

Step 11

Once pop up window is closed user will receive confirmation message with the following details:

- Tracking number
- MCG Episode ID
- Authorization status (Approved or In Review)

If Approved, provider can proceed with service requested.

If In Review, the request will undergo the current internal review process and provider will be notified of decision using the current notification process

Service Request/Authorization Form

For Medicare Part B drug provider administered drug therapies, please direct Prior Authorization requests to Novogigis for submission. For a list of codes requiring Prior Authorization, please refer to the Prior Authorization Lookup Tool. You may access the Novogigis portal via this [SSO link](#) here or fax in a prior authorization at 800-391-6437

Submittal Tracking Number: 21 Add another Service Request/Authorization for the Member

EpisodeID: EPS- Add another Service Request/Authorization for the Member

Authorization Status: **APPROVED**

Based on the information provided, your request for services has been approved. However, Prior Authorization is not a guarantee of payment for services. Payment is dependent on member eligibility at the time of service, benefit coverage and limitations, provider agreements, and submission of accurate claims.
