

Re: Cultural Competency Training 2018

Michigan Department of Health and Human Services (MDHHS) **Mandatory Requirement**

Molina Healthcare of Michigan is required to annually provide training to our Providers regarding Cultural Competency program and available resources for Molina enrollees. Training of providers and quality monitoring are the cornerstones of successful culturally competent service delivery.

Cultural and linguistic competency is the ability to provide respectful and responsive care to members with diverse values, beliefs and behaviors, including tailoring health care delivery to meet members' social, cultural and linguistic needs.

Please sign this form as evidence of your training on the Molina Healthcare Cultural Competency training.

Molina Healthcare offers educational opportunities in cultural competency and disability sensitivity concepts for providers on a regular basis. Additional information and resources can be found on our website at www.molinahealthcare.com.

Thank you for your immediate response and cooperation. This training requirement is mandated by MDHHS and must be performed annually. Please fax this signed and dated form to (616) 222- 5221, Attention: Molina Healthcare of Michigan

Sincerely,

Shelley Wagner
Director, Provider Services
